Professor Anna Chernobai
Associate Professor Finance, Martin J. Whitman School of Management, Syracuse University, Syracuse, N.Y.

BIO:
Dr. Anna Chernobai is an associate professor of finance at the M.J. Whitman School of Management at Syracuse University. The focus of her research is operational risk, default risk, stochastic processes, and applied statistics and probability. She has published in top finance and related journals such as the *Journal of Financial and Quantitative Analysis*, *Journal of Banking and Finance*, *Journal of Accounting Information Systems*, *MIS Quarterly*, and *Real Estate Economics*. She is also an author of the book “Operational Risk: A Guide to Basel II Capital Requirements, Models, and Analysis” published by Wiley Finance in 2007. In 2008, she won a selective FDIC research fellowship for her research on operational risk in financial institutions. In 2009, she collaborated with JP Morgan Chase and served as a Syracuse University - JP Morgan Chase Faculty Research Fellow. Also in 2009, her work in the area of operational risk received recognition from the industry and she was selected as one of the "Top 50 Faces of Operational Risk."
