

New York's Capital Region
CORPS SITE
NSF Innovation Corps

Fall 2019
Cohort VII

Cannvlation

Industry: Medical Device

University: Union

Updating an outdated technique with new materials

Smart Home

Industry: iot

University: RPI

An iot device for climate control in shared spaces

CytoDynamic Solution

Industry: Medical Service

University: Albany Medical Center

Producing reproducible scratch wound assays for publication quality research

3D Printing

Industry: Additive Manufacturing

University: RPI

A new material that makes for stronger, lighter 3D printed components

Now accepting applications for Cohort VIII at rpi.edu/i-corps
