

New York's Capital Region
CORPS SITE
NSF Innovation Corps

Spring 2020
Cohort VIII

Team LESA

Industry: IoT / Lighting

University: RPI

Supplementing elderly fall detection systems with a room occupancy and activity monitor

MegaSilk

Industry: Material

University: RPI

Synthetic silk for industries in need of strong lightweight material

EqualEyes

Industry: Medical Service

University: RPI

Improving compliance with physical therapy protocols

Dolphin Data

Industry: IoT

University: RPI

IoT solution for manufacturing, inventory tracking, and supply chain management

Devello

Industry: Emergency Response

University: RPI

Using data science to develop emergency response clearance systems

Autobox

Industry: IoT

University: RPI

Managing motor vehicle accident insurance needs hands free

Now accepting applications for Cohort IX at rpi.edu/i-corps
