

Student Pledge of Academic Integrity

I have read and understand the Lally School of Management's Academic Dishonesty Policy. I realize that the Lally School considers incidences of academic dishonesty including plagiarism, copying, cheating on examinations, collaborating inappropriately and other forms of deceit as serious violations of the ethical standards it expects of the student body.

I pledge that I will not commit such actions against myself, my colleagues, my faculty or the Lally School. I will complete exams, projects, and assignments to the best of my ability. I will collaborate as expected and work individually as expected, because acts of dishonesty violate the fundamental ethical principles of the university community and compromise the worth of work completed by others.
